

Goals for Our Kids

Page 2

Please pray for me as I strive to help the 3rd graders develop:

1. A stronger connection to God.
2. Characters that reflect God to the world.
3. Academic Learning. I want to challenge each child to meet his potential, to feel the satisfaction of meeting academic goals, and to develop a hunger to learn more.
4. Friendship skills.

Attendance Support

I really want my students in the classroom by 8:00. There are several reasons, but the main ones are that it's disruptive when they come in late, and they miss out on "Bell Work". To encourage this important habit, I don't go out of my way to help tardy students find time to make up the "Bell Work" assignment. Bell Work is the educational activity the students do right after the 8:00 bell rings, while I take attendance, hot lunch orders, permission slips, etc. Points are given for completed Bell Work in various subjects – most often in English for the Journal entries, or in Reading for the Time for Kids magazines.

Teamwork

Thank you for letting me work with your child. Together we're so blessed to be a part of this awesome responsibility. I trust God to grow each child in His way, and in His time.
