## Volleyball Tournament

We had an excellent volleyball tournament on Sunday. Thank you to the parents who helped supply the food, to the students that displayed superb sportsmanship, and especially to Mrs. Sato for organizing the day. Part of the day was a special worship by Wendell Tyler. Mr. Tyler was a running back for the Los Angeles Rams and the San Francisco Forty-niners. He currently presents talks to inspire youth to dream to succeed, dedicate their lives to assisting others, and put God first in their lives. Mr. Tyler also supports ministries for inner city youth and children. We appreciate him being a part of our tournament day.

## 12 Days of Christmas Giving

Last year we introduced the 12 days of Christmas Giving. We hope that this year, even more students will participate. For 12 school days in December, we ask students to bring items on each day. These donations will be given to local community service organizations where they will be distributed. To coordinate what to bring, we ask that students bring certain items each day. (Of course, items are acceptable on any of the days.) We will begin this program on Wednesday, December 2. So, plan ahead as you do your shopping and pick up just a few extra items.

## Cookies for Musical

Please bring your cookies for the Christmas Musical on Tuesday so that they can be packaged. The cookies may be delivered to the school office or dropped off at the MV Central Church when you drop off your students for the musical practice.

## Basketball Program

Try-outs for the Miramonte boys' and girls' basketball teams will take place on Monday & Tuesday, December 7 & 8 from 3:30 - 5:00 pm. Anyone wishing to try out must have the appropriate paperwork on file with Mrs. Sato. If you are in doubt, please contact her. Basketball is a very demanding sport, and grades will come into play as we consider who makes it onto the teams. It is important that potential players have no D's or F's if they wish to be considered.

## Partnering with Miramonte School

Would you like information about your business placed on the back page of the Mainspring? We are testing this concept over the next few months. If you are willing to return a portion of the proceeds from business that is generated through this posting, we would love to include your information. The suggested donation from you would be 10%, but this depends on the type of business you are in. Please contact us for additional information. Thank you for your support of Miramonte School.
