Curriculum Fair/Open House/Re-Registration

At 7 pm on Thursday, March 4, student work will be displayed during our curriculum fair. The students have been busy pulling together items that will be of interest and represent a sampling of what they have learned this year. As part of this Curriculum Fair there will be displays, educational games, and student presentations. On this evening, we will also begin the registration process for the 2010-2011 school year. For those of you who fill out the simple form to re-register or apply for new admission, and submit the \$75 fee that evening, your name will be placed in a drawing for a free month's tuition.

Kindergarten: Clifford Day!

Bible Challenge

Congratulations to Monica, Ameia, Jonathan, and Manny for their participation in the Central California Conference Bible Challenge on Saturday. The team traveled to the

Fresno Westside Church along with their sponsor, Mrs. Lemmon, for the afternoon event. The topic for the challenge was the book of Judges.

"A Night in Paris"

Have you purchased your tickets yet? You may order your tickets through any student or through the office. This fundraising event sponsored by the Home and School will be held Saturday evening, March 6, opening at 7:30 PM. Join us for an evening of desserts, refreshments, and a fun-filled silent auction. There is still time to donate auction items, so please contact the school to arrange for your donation. Child care will be available for children ages 2-12 for a cost of \$5 per child for the evening. This will also cover a basic pizza meal for the children.

Pre-Arranged Absences

At times, parents will need to take their child out of classes. In order for the teacher to have assignments that your child needs for this absence, Miramonte School has a "Request for Pre-arranged Absence" form. This form lets you request from the teacher or teachers assignments for each class that will be missed. The form should be submitted at least a week before the absence so that there is time for the teacher to put together the homework package. If it is not possible to get the request submitted a week in advance, there may not be time to get all of the work put together. Please do not expect assignments to be ready if this form has not been submitted to the teacher.

Accessing RenWeb

If you have provided the school with a valid email address, you are able to access your child's school records through RenWeb. The basic instructions are:

- Go to www.renweb.com.
- Select the Login tab from the upper part of the window.
- Follow the instructions. Our initial school ID is CCC-SDA.
- During the registration, you will be asked for your email address. This must match the one that you provided to the school.
- RenWeb will then email you a password and instructions on how to log in.

If you have changed your email, please let us know so that we can place your new email into the system.

The BASIC Fund

The BASIC fund is a privately funded program dedicated to broadening the educational opportunities for children of reduced income families. Depending upon income level, this scholarship can be up to \$1600 per year. However, this fund only applies to students attending a private school for the first time. (If a sibling already attends, the new student may still qualify.) If you know of families that could benefit from the BASIC fund or believe that you could qualify, please contact Eva Elliott for additional information and an application form.

Partnering with Miramonte School

Would you like information about your business placed on the back page of the Mainspring? If you are willing to return a portion of the proceeds from business that is generated through this posting, we would love to include your information. The suggested donation from you would be 10%, but this depends on the type of business you are in.
