## Curriculum Fair

Please join us at 6:30 PM on Thursday, March 4, for our curriculum fair. The students have been busy pulling together items that will be of interest and represent a sampling of what they have learned this year. As part of this Curriculum Fair there will be displays, educational games, and student presentations. There is a veggie burger meal available from 6-7 PM and the gym displays will open at 6:30. At 7 PM and again at 7:20, the 5th grade class will perform the play, "Rosa Parks." We hope that you will enjoy the evening and appreciate the work that your children have done.

### Free Tuition!

Would you like a free month's tuition? Most of us would. To encourage families to submit the re-registration form early, we are giving away one month's tuition for a student. To qualify for the drawing, all you need to do is—

- Complete the re-registration form.
- Submit the form to the office along with the \$75 processing fee on or before Thursday, March 4.

We will have additional forms at the curriculum fair if you forget yours.

### Re-registration

The registration period for the 2010-2011 school year opens today with the attached re-registration forms. In order to hold the classroom space for your child, the form, along with the processing fee needs to be turned in to the office by Friday, March 19. After that time, registration applications will be processed on a first come, first served basis. All re-registrations completed by March 19 qualify for a \$50 discount on the deposit. (Currently, the deposit is \$75 with the discount. After March 19, the deposit will be \$125.)

### "A Night in Paris"

Have you purchased your tickets yet? You may order your tickets through any student or through the office. This fundraising event sponsored by the Home and School will be held Saturday evening, March 6, opening at 7:30 PM. Join us for an evening of desserts, refreshments, and a fun-filled silent auction. There is still time to donate auction items, so please contact the school to arrange for your donation. Child care will be available for children ages 2-12 for a cost of \$5 per child for the evening. This will also cover a basic pizza meal for the children.

students who are on the Miramonte School Basketball team and are unable to attend due to a scheduled game, arrangements will be made for your tryouts. (Also, if you are a part of the CCC Spelling Bee on Thursday, Mrs. Sato will make arrangements for your tryouts.)

## Accessing RenWeb

If you have provided the school with a valid email address, you are able to access your child's school records through RenWeb. The basic instructions are:

- Go to [www.renweb.com](http://www.renweb.com).
- Select the Login tab from the upper part of the window.
- Follow the instructions. Our initial school ID is CCC-SDA.
- During the registration, you will be asked for your email address. This must match the one that you provided to the school.
- RenWeb will then email you a password and instructions on how to log in.

If you have changed your email, please let us know so that we can place your new email into the system.

## The BASIC Fund

The BASIC fund is a privately funded program dedicated to broadening the educational opportunities for children of reduced income families. Depending upon income level, this scholarship can be up to \$1600 per year. However, this fund only applies to students attending a private school for the first time. (If a sibling already attends, the new student may still qualify.) If you know of families that could benefit from the BASIC fund or believe that you could qualify, please contact Eva Elliott for additional information and an application form.

## Partnering with Miramonte School

Would you like information about your business placed on the back page of the Mainspring? If you are willing to return a portion of the proceeds from business that is generated through this posting, we would love to include your information. The suggested donation from you would be 10%, but this depends on the type of business you are in.
