Chapel Visitors

This past Friday, grades JK-3 chapel program was presented by students from Mountain View Academy and their Bible teacher/Chaplain, Pastor Guerrero. After a rousing song service led by Hannah and Sanam, two of our former students, Pastor Guerrero presented a short message. We appreciate it when graduated students are willing to return and share with us.

Basketball Tournament

On Sunday, Miramonte hosted a basketball tournament sponsored by the Central California Conference. (Another tournament was also held in Fresno.) Five schools attended with boys, girls, and coed teams. The students had a great

time! We appreciate all of the parental support which is necessary to make an event like this successful.

Free Workshop

If you have an pre-teen, current teen, or a child who will one day be a teen, this talk will be informational and worthwhile.

"Loving Your Teen Without Losing Your Mind" by Dr. Michael Bradley on Thursday, February 2nd, 2012 from 7:00-9:00 pm will be held at the Mountain View High School Spartan Theater. (3535 Truman Ave, Mountain View)

Find out:

- How the enigmatic teen brain works (and how it doesn't work)
- The Ten Commandments of Parenting
- The three top ways to earn your kid's respect (and the three top ways to destroy it)

Dr. Michael J. Bradley is a licensed clinical psychologist with over 30 years of experience working with adolescents. For more information, visit his website at www.docmikebradley.com.

*Parents are asked to attend without their children. This will spare adolescents the discomfort of the sometimes graphic content and provide a forum where parents can freely ask specific questions regarding their kids' behavior.

Admission: FREE, but event reservation requested at:
